Tuition

Monthly tuition is required to be pre-paid no later than the first lesson of the month. Tuition may be paid by cash, check, debit or credit card. Visa, MasterCard, American Express and Discover cards are accepted. Monthly automatic payments by debit or credit card are also available, and will be charged on the 1st day of each month. A late charge of \$15.00 will be applied for any payments 10 days past due.

Student Registration

We ask that students fill out a short registration form prior to the first lesson. We request you provide your home telephone and cell numbers to coordinate scheduling and to make updates in the event of a cancellation or weather emergency. We also ask for an email address to send supplementary lesson material, and information related to RCT Music Group, such as events and updates.

Weekly Attendance

Students who attend lessons on a weekly basis can expect the greatest benefits from their experience. Your time slot is guaranteed, as long as the account is up to date. Please contact the studio prior to a lesson if a student is unable to attend so that a make-up class may be scheduled. Make-up lessons must be taken within the current month. There are no reductions in tuition for missed lessons and no reductions for a student's inability to make up a lesson.

Termination of Lessons

In the event that a student no longer wishes to continue taking music lessons, RCT Music Group asks to be informed a minimum of two weeks prior to the end of the billing cycle.

Studio Closings

RCT Music Group is open during most school vacations. On certain holidays the studio will be closed. An adjustment will be reflected in that month's invoice, or a make-up session will be scheduled. Please note the following days on which music instruction will not be available: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, Christmas Eve and Christmas Day.
